## Varkey Gems Foundation Assembly

On the 2nd of November the presidents and vice presidents went for the Varkey Gems Foundation assembly. Mainly the assembly was about The Westminster School's charity. Our school was from the top 5 schools that gave charity, and some students from our school went to Nappon to give charity for the poor people who were there, and so the students who went were given certificates.

## Flag Raise

UAE celebrates Flag Day on 3rd November as the country marks the 10th anniversary of the

presidency of His Highness Shaikh Khalifa Bin Zayed Al Nahyan. Locals proudly sang the national anthem as the flag was raised as well as the non locals for they are staying in a country not their own, but what they can call their home.

- Raja

## ICT Competition

They chose two girls and one of them was me, to go to Gems Winchester Jebel Ali and show our movie maker. The theme was any good product to sell in Expo 2020. We didn't win any place but they gave us a certificate for participation and a full bag of chocolates.

## Author's Visit

Known Canadian writer Mr. Richard Scrimger, visited our school on 10th November. I was one of the

three (3) privileged students from our class sent to see him. He is a fine, humorous man. He also mentioned some writing techniques which we can apply on our works. We learnt a lot and it was really delightful to meet and listen to him.

- Raja

## Sheikh Zayed Humanitarian Work Day

Our school received an award for the amount of charity items our school have given. There were representatives for each level and luckily, I was the who represented the 7th grade. I was very happy to know that our school did so much for charity and helped poor children all over the world.

## Cardboard Box Challenge

<name> shows her creativity on her work.

Student's creativity were tested during this event.

We watched a video on how a boy got recognized for his dream, passion and creativity. He made his own arcade by using

cardboards and recyclable materials such as bottles, papers and boxes.

Sandra made an improvised laptop which was very creative of her while Nada made a money box to be used in real life for saving.

-Raja

### Did You Know?

Recycling 1 ton of crumpled cardboard saves 700 gallons of water

## FRENCH ARTICLE

### Family trip

Ma famille compte cinq membres, ma mère ,mon père, mon un frère de vingt ans et un autre soeur de dix-neuf ans. Ma famille est très paresseuse et adore regarder la télévision parce qu'ils détestent l'exercice, une fois par an nous faisons un voyage en famille, généralement a Abu Dhabi . Nous adorons tous ces vacances parce qu'elles sont amusantes .Nous apprécions les vacances et nous apporter mon chat "Snowy" mais Milou est très méchant et quand on arrive à l'hôtel, elle détruit la chambre d'hôtel. -Aya

## ARABIC ARTICLE

في استراحة العيد ذهبت انا و  
أصدقائي الي مراكز التسوق و  
الحدائق العامة. كان الطقس رائعا و  
باردا. كانت عطاة العيد قصيرة جدا  
ولكن استمتعت كثيرا وكان لي حقا  
وقت كبير و جميل.

## Students' Work

By: Nada Mohamed

## What Are We Learning?

### Math

We are learning about angles and its bisectors.

### English

We are comprehending the story "Two Geniuses"

### Science

We are learning about microbes.

### Arabic

We are learning a new lesson.

### French

We are revising the topics we have learnt.

### Social Studies

Industries in the UAE.

Poem By: Raja Malong

I saw you sitting there in the corner I wish you were mine  
and I was your owner

All I want to do is hold you tight

Won't let go even in the darkest night

Someone came, smiled to you and made you laugh

I was caught off guard, stood up and faked a cough

Ehem ehem, I looked at you. A smile in your face, eyes  
shining too

It kills me inside seeing you happy with someone

Its like a silent way of saying I'm sorry but we're done

Maybe its time for me to let go

Maybe for you its never been me from before

Maybe you and me are just not meant to be

Maybe I would feel bad but I won't be sorry

STAR  
STUDENT:  
Duaa  
Ibrahim

Happy  
Birthday!
