## Events of the month January!

-Parent engagement week

-Paragon of Pioneers

Volleyball Competition

-Donation for Syria

-Trip to Dubai Care

-7G1-7G2 class assembly

## *Art and Craft Month*

### Art and Craft

As a learning activity, arts and crafts have traditionally been passed over in favor of more **academic pursuits**. But craft – particularly developmentally appropriate craft activities – can aid learning in other areas like **language**, **music**, **art**, social studies, **science**, **maths**, health, and nutrition.

Crafts have been around since the beginning of time when people made everything they used with their hands. Crafts were initially created for trading, selling, spiritual or artistic expression, as well as creating personal and household articles. Today, crafts are a great pastime and educational tool for kids. It can not only keep the kids entertained on a rainy day, but also extend a child's **fine motor skills**, develop concepts like color or numbers and see scientific processes like gluing and paint drying in action.

# Paragon of Pioneers

Ms.Lali Saji (Mother of Nethanya Saji) was explaining what 'Paragon of Pioneers' is and showed year 7 and 8 a presentation with a help of a student in the sixth form, the presentation shows more details as Ms.Lali Saji said that there will be a 'TWS Maker's Day' because there is a lot of student in Westminster School who likes to participate in Makers Day.

## Dubai Care Charity

I think it was really fun because we used to race each other that will score more bags for Gaza and it wasn't only The Westminster School but it was many other schools and other people too.

### What did we do?

We had a bag where we had to put the items in it from each item we took four items and then at the end some sixth form girls and boys checked that everything is going fine!

# French and Arabic Articles

## What do I do in the morning before going to school?

Le matin je me réveille a cinq heures et demie. Puis je me leve a six heures moins et vingt. Je me douche et je m'habille a six heures. Je mange mon petit déjeuner, je bois un jus d'orange. Puis je me lave le dents et je sors a six heures et quart.

-Neha

## Arabic Article

لقد إستمتعت جدا في الأجازة وإنها كانت ممتعة لأنني كنت مع أصدقائي الأعزاز ومع عائلتي الجميلة. لقد ذهبت إلي الشاطئ وإلي حديقة الحيوان.

# Donation for Syria

Students helping and folding clothes and blankets

It was a really great idea to donate to Syria and their children who needs warm clothes to live. They couldn't sleep, eat or drink from the coldness all around them, they're really suffering. The students of The Westminster School donated new warm clothes, not only clothes but warm blankets too! From each section three students were picked to help in folding clothes and making them in order, from 7G2 the three students were Aya, Touka and Lara. We were really sorry for them and we were really happy to be one of the people who donated!

**STAY STRONG SYRIA!**

-Aya

# Volleyball Tournament

Volleyball School team -Girls

It was the first time for The Westminster School to form a volleyball team and I was one of the 15 privileged girls to make it. On January 13<sup>th</sup> the team had their match for the first time opposing Delhi Private School and St.Mary's High School. We won the game versus Delhi Private School and lost St.Mary's High School on though it was a very close game. We may not bring a trophy for our school but we definitely made ourselves proud for having the courage and bravery to accept losing and still smiling.

## Leadership Assembly

The leadership ceremony for the year 2014-2015 was celebrated in the 15<sup>th</sup> of January 2015. All the leaders from the primary school to the secondary school were there with the student council, the student advisory council, the class councils and the club heads who received their badges. The event was live streamed. There were dances from the students and songs from the school choir as well. It was also a very important event for the leaders as they were celebrating for all the things they achieved. It was a very well organized event, and it was such honor for me to be there and receive my badge as well as it was an honor to see Mr.Blout who especially came to support us even though he had work. It was such an amazing and spectacular event and I hope it will repeat next year.

# Parent engagement week

Parents engagement week starts from 18<sup>th</sup> of January until 22<sup>nd</sup> of January, parents engagement week is a week which parents come and share lessons with students in The Westminster School, me as a student I really enjoyed their lessons and I really appreciate them. A lot of parents joined from the school like Sandra from 7G2 and Rafah from 7G1 and I would really enjoy if they come again and share lessons.

## Article by the Student of the Month

I really worked hard to reach this level and I'm really proud of myself, I'll work harder and harder until I reach to my goal. I'm really thankful and proud, I improved in a lot of things as I did the class newsletter for the month of November and I participated in the volleyball school team as well.

**-Raja**

# Poem

What does it take  
for someone to make  
poems, stories, sonnets and plays  
Oh please tell me how you were raised.

Brilliant words in depth thoughts  
only a Shakespeare can play it off  
who could imagine Romeo and Juliet on a scene  
doing some acts, not so mean

With my head on the pillow  
I forget all my sorrow  
but I always remember  
Shakespeare, you are our tomorrow
